Brain Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Greens August Flower, the favorite medicine of the healthy millions. A few doses aid digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get Dr. G. G. Green's reliable remedies at W. T. Brooks'. Get Green's Special Almanac.

Stock and Crop.

Country Jay and Audubon Boy, two Kentucky crack race horses, have each won over \$13,000 in the Grand Circuit. Onward Silver, another Kentuckian, has won over \$10,000.
Jonas Wehl purchased of Judge J. D. Goodloe, of Madison' his entire lot of export cattle, 70 in all, averaging 1,400 pounds, at 5c. He also bought of T. S. Burnam 108 at the same price.
Mr. STERLING COURT.—About 3,000 cattle on the market. The quality was fairly good. Some sales were made last Saturday at \$4.10, but the highest price for to-day was \$4 for some 1,059-pound steers. Yearlings at 4 cents for the best, others below this price. Heifers at 2½ to 3 cents; cows at 2 and 3 cents; bulls at 3 cents. Trade was good but not brisk and a good many cattle left over unsold at night.
About 200 cattle were offered at Carlisle Monday, but not half of them sold. Market extremely dull and from 25 to 35 cents lower on all grades of cattle than on last court day. Dry cows sold at \$8 to \$30 per head. Milch cows and calves from \$15 to \$40. Not enough steers and heifers sold to make a market. Quite a lot of stock hogs offered, sales hard to effect, prices lower. A large number of suckling mules changed hand at \$20 to \$30 per head.
Hogs went as high as \$7.30 per 100 pounds in Chicago last week and Monday added seven and one-half cents to that record for the best. Only twice in sixteen years have prices been so high, but in 1893 hogs were forced up to \$8.75, while lard went over \$13 and ribs over \$10. Hogs are now selling much higher than cattle and almost the price (by pounds) for sheep. The provision markets are also attaining dizzy altitudes.—Courier Journal.
James Hukill gave Senator Bailey's bay mare Rena Bailey by Stammerout, out of a mare by Cyclone, a mark of 2:19½ at Oakley Friday, and earned \$250 for himself. Senator Bailey wants her for breeding purposes, and he was very desirous that she should have a creditable mark before being retired. He told Hukill that if he would drive her to a record better than 2:25 he would give him \$150, and that if she beat 2:20 he would give him \$250. Hukill took her to Oakley from Lexington, and gave her the mark on Friday.—Kentucky Stock Farm.
